

Live Oak Jaguars Complex

The Live Oak Jaguars complex is located in the Live Oak City Park. On practice and game days the concession stand will be open selling food and drinks at a very reasonable fee. Parking is very limited so park in areas that are designated for parking. Do NOT park on the grass or in the fire lane. While driving thru our park watch for children and do not exceed the 10mph and 5mph speed limit. Live Oak Police Dept frequently patrol this area. You **will** be ticketed. The park has two large play grounds for the smaller children to use. There are two restroom facilities, one located next to the concession stand and one located next to the football field. REMEMBER this is a City Park used by everyone in Live Oak and surrounding area. **No foul language, No alcohol beverages and No smoking during games or practices.** The park is also home to a 37-hole Disk Golf Course. Please dispose of all trash in one of the many trash receptacles located throughout the park.
